

## July 2015

### **Principals Message:**

Dear Parents,

This year has been full of amazing memories with all of you. We are excited to start the new year as we jump into our summer curriculum. The teachers have planned some amazing camps this year that will continue to help children learn and have fun.

We are also excited about the new classrooms that begin this month. The teachers have been busy that last few weeks preparing for their new class and they are thrilled to have their new children start with them. During the first week you may find that your child may feel nervous about going to their new classroom. Transition can sometimes be difficult for some children. If this happens, feel free to drop your child off at their "old" classroom and their "old" teacher can help take them to their new classroom when they are ready. We are here to help in anyway so please contact the front office if you have any questions.

As of July 10<sup>th</sup>, we will be saying goodbye to our beloved Ms. Jen. Ms. Jen we will be relocating to Salem, Oregon with her family and we wish nothing but the best for them. Please help celebrate our week dedicated to Ms. Jen July 6<sup>th</sup>-10<sup>th</sup>. Please be on the special lookout for a handout circulated in honor of the celebration.

We look forward to another school year!

Sincerely,

Melinda Carvalho & Jen Hayes
