

Our teachers have BIG hearts!!!

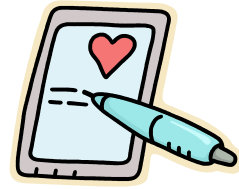

Teacher Appreciation Week
May 15th-19th

Monday: Love Notes

Words of appreciation are priceless and the best gift ever! Please write a note of thank you to your child's teacher or have your child draw a picture.

Tuesday: Flowers and Plants

Bring fresh flowers or a potted plant to your child's teachers to thank them for all they have done in helping your child blossom and grow!

Wednesday: Potluck Luncheon

Bring in your favorite specialty dish so the teachers can feast all day! Sign-up sheets are posted on the classroom sign-in binders.

Thursday: A Day of Relaxation

A soulful CD, a good book, a scented candle, a favorite magazine, lotions, bright colored nail polish, chocolate, there are endless options. Provide your teachers with a pampering item they can use during their down time.

Friday: A Girl's Best Friend

Haven't you heard that "plastic is a girl's best friend?" We would like to make a gift card bouquet for each teacher. Gift card ideas include restaurants, stores, frozen yogurt, coffee shops, etc. Please drop them by the office no later than Thursday, May 18th so we can put the bouquets together for Friday.
