

February 2016

Principals Message:

Dear Discovery Isle Parents

As we enter February we are participating in Fitness Awareness Month. We are encouraging fitness awareness and healthy hearts! As families, we encourage you to take a walk after dinner, start hiking, or involve your children in healthy food choices.

This month also represents love and friendship. Please feel free to decorate a heart with your child and bring it back so we can proudly display your creations!

In closing, enjoy your special time with your family and embrace your child, for they are a gift.

Melinda Carvalho, Principal

&

Jennifer Settles, Assistant Principal
