Transitions are beginning...

Look for a transition letter in your child's sign in/out book to let you know where and when your child will be transitioning to the next classroom. During transition you will still drop your child off in his/her old classroom and the teacher will take them to meet the new teacher around 9:15 am. The full transition into the class can take up to a week depending on the child. We start off in the morning by taking the child to visit the new room and meet his/her new teacher.

Your child may experience anxiety, tears, not liking school or their new teacher, all of this is normal during transition to a new classroom. Please give the teacher a month to bond with your child, remember they will begin to establish new friendships and relationships in the new classroom.

Reminders:

- ♦ Community Care Licensing requires everyone to sign their child in and out each day.
- ♦ Hot lunches should be paid every two weeks.
- ♦ Check your child's art folders in classrooms for information from teachers such as newsletters and art.
- ♦ Label all your child's belongings with their name.

Summer Safety

Summer is a time to have fun. Here are some things you can do to help stay safe.

If you would like teachers to re-apply sunscreen in the afternoon. Please fill out the sunscreen form. Located at the front desk.

Please make sure your child has their individual sunscreen with their teacher.

Sandals... need to have a strap on the back and covered toes.

Please no Flip-Flops!

If you would like your child to wear a hat. Please make sure it is labeled.

You are able to provide a personal water bottle for your child, please label it.

SUMMERFUN

During the summer we have created a Discovery Isle Summer Camp. This is the time to relax and have a blast with the children!

Each week teachers will be taking over the multipurpose room with their fun summer activities. The classrooms will each have a chance to explore the multipurpose room and all the great activities each week.
