## A Note From the Principal

Parents and teachers join as one  
 To create an educated daughter or son.  
 It takes lots of love, caring and understanding.  
 But an individual will emerge who is special notwithstanding.  
 We will work together to help each child bloom  
 So they can grow and prosper as they learn at our school.  
 So I share this little confection with you as I say  
 I am committed to helping the children grow each and every day.  
 Yes, the road is long, but the journey's begun  
 As we strive to educate your daughter or your son.
