

# FEBRUARY

Welcome February! Here is what is happening in our school this month and a few quick reminders to our families:

We have been seeing a lot of sick friends lately; please remember if your child has a runny nose, fever or a bad cough, that germs are being spread! We do work hard to disinfect all toys, door knobs, tables and chairs throughout the day. As well as teaching the children good hand washing skills, and how to avoid catching a cold. Remember your child **MUST** be symptom free for 24hrs before returning to school (i.e. NO fever, diarrhea, vomiting, etc.). If you have ANY questions about our sick policies please do not hesitate to ask the front office.

Thank you for being conscientious and keeping your children home when they are sick.

## Sign in/ Sign Out

As a reminder, parents please sign your child in and out EVERYDAY in their classroom folders. Not doing so could result in a licensing fine for us!

## Labeling classroom personal belongings

Please label ALL of your child's belongings. For example: cups, lunch boxes, jackets, etc.

## Tax Season

Tax season is close! Please let the office know if you need any year to date statements printed out or need our school's tax ID. Please give us 24 hours to do so.
