

I can't believe summer is coming to an end as fall is quickly approaching us. Please be sure to dress your child accordingly and be sure that their personal items are labeled with their name (water bottles, lunch boxes, and sweaters should be labeled).

FUNDRAISER

Your child will be coming home with, Charleston Wrap catalogs for you to share with your: friends, family, and colleagues, so that they are able to shop for some personalized items, and all of the holiday necessities they may have. Did you know? Students that send out a minimum of 10 email invitations will earn an emoji eraser and make it much easier for their loved ones to shop online!

TARDINESS

Running late?! Please be sure that you are here to pick-up your child no later than 6:00p.m., if you will be late, be sure to contact us at the center 10 minutes prior to the time the center closes, so that our teachers and administrators can have your child ready for you, with their belongings.

Please pay attention to the events below:
