

# MARCH

## 2017

Hello families!

Spring is here! We can officially welcome spring on March 20<sup>th</sup> and day light savings on March 12! We are excited for the weather changes and spring flowers blooming. As the weather is warming up, it is important that we continue to have sunscreen in the classroom for your child. A water bottle is also needed to refill throughout the day. We will be incorporating lots of nature, where the students will learn the joys of spring.

Here are some fun events happening this month listed below!
