

April

Note from the Principal:

Spring has arrived and with it comes indoor and outdoor activities for learning experiences. Discovery Isle has many activities planned for this month. To celebrate Earth Day we as a whole school will be releasing ladybugs in the garden. Each classroom will be getting their hands "dirty" planting vegetables and fruits in their classrooms. To see the activities we have planned in April refer to the event calendar online.

Scholastic Book Fair Dates: April 10th-14th

Come in during regular school hours to browse the wide selection of books available for purchase.

This time around we are having our BOGO sale!!! For each book you purchase you will take home a free book equal or lesser value.

Come in take advantage of this amazing deal and help support the school.

Its picture time:

Lifetouch will be here

April 18th – 21st!

We will give out more information about scheduling and sibling photos soon.

Have you met Ms. Janet the Kindergarten teacher in Room 15. She will start assessing the pre-k students interested in Kindergarten starting April 10th-14th and 24th-28th.

Week of the Young Child April 24th – 28th

We will focus on one book and bringing that book to life in the classroom through class projects and activities.

Earth Day

We invite all families to come and assist the children in releasing ladybugs.

Friday, 21st

At: 10:30a.m.
