Welcome Spring!

What a wonderful 2018 it has been so far! As we leave the winter behind we are excited for the Spring and all the extra fun activities it brings! With the change of the season in mind, this would be a great time to check your child's cubby and make sure that their changes of clothes are appropriate for their size and the climate! April is set to be a busy and fun month! We have many things going on and can't wait to enjoy them with you!
