## What's Happening under the sea?

Dear Parents:

Our teachers are all working hard on completing assessments for the children and putting together "Parent Reports" that we will be sending home at the beginning of November. "Parent Reports" are our way of providing you with written communication of your child's progress and development in our program. Reports will go home in November, February and May. Based on your child's "Parent Report," you may decide that you would like to set up a phone conference with your child's teacher(s).

On behalf of everyone here at Discovery Isle, we would like to wish you and your family a Safe and Happy Halloween!

### Dates to Remember:

- Oct. 5th: Fire Prevention Week
- Oct. 12th: **Closed** for Professional Development Day
- Oct. 13th: Scholastic Book Fair
- Oct. 30th: Halloween Parade  
\*See school calendar for dress up days
- Oct. 31st: Happy Halloween!

This year we will be putting on a "Virtual" Halloween Parade for each class via Zoom.

Your child is invited to wear their costume to school on this day. We do ask that children do **not** wear masks, or include **weapons** as a part of their costume. Any hand held accessories that coordinate with their costume should be kept at home for safe keeping as well. Please bring your child to school with their costume on,

*but also pack a change of clothes.*

We will be wearing costumes for the parade and then taking them off for the remainder of the day.

Zoom links will be sent closer to the date!

## Pumpkin Decorating Contest

Each classroom will be creating a class pumpkin to enter into our contest. Families will be invited to vote on the pumpkins during the last week of October. The class who wins the BEST OVERALL pumpkin will win a sweet treat party!

## Center Fundraisers

Please know that we offer several fundraisers throughout the year, and we do not expect you to participate in ALL of them! Please pick and choose the ones that fit your needs the most. We appreciate all of your support, but we also do not want you to feel like we are nickel and diming you all the time! The money we raise from our fundraisers goes towards extra fun supplies and events that we offer around the center throughout the year. Thank you for all you do for us!

## Halloween Festivities

On Friday, October 30th, each classroom will host a Halloween party or cookie decorating. Watch for a sign up sheet at the front drop off area or a care call from your teacher to sign up for goodies. \*We just ask that all items are store bought at this time.

## Cold and Flu Season is Upon Us

Please remember, your child should not be brought to the center if he/she has had a fever, diarrhea, a yellow or green runny nose, or other illnesses that could be given to children and/or teachers.

Therefore, it is important that you have some kind of alternative care for your child on such occasions.

<u>Fever:</u>	Keep the child home until fever registers below 100 degrees for 24 hours and the child is acting well.
<u>Runny Nose:</u>	<i>Keep child home until thick yellow or green discharge clears up.</i>
<u>Earache:</u>	Keep child home until a doctor examines the ears and recommends the child return to school.
<u>Rash:</u>	Keep child home until a doctor determines the cause and recommends the child return to school.
<u>Sore Throat:</u>	Keep child home until a doctor determines no strep infection exists and the throat is healed.
<u>Cough:</u>	Keep child home until cough subsides.
<u>Upset stomach Or diarrhea:</u>	Keep child home until no further problem exists and the child is eating normally without an upset stomach.
