

# ~Center Closed~

Just a reminder that the center will be closed Friday, July 1st for our Annual Cleaning Day. This day is an opportunity for the staff to prepare their classrooms for the next school year. Although our center is kept clean regularly, our teachers spend this day cleaning their classrooms from the baseboards to the ceiling and everything in between!

The center will also be closed Monday, July 4th.

Please mark your calendars.

And we hope you all have a safe Holiday!

Our summer calendars start next month!

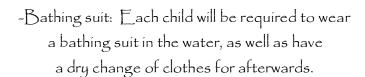

We have a lot of fun activities planned for the summer.

I wanted to take this opportunity to remind families that splash days require specific clothing items in order for your child to fully participate. Below are a list of items that you may want to start collecting for July & August:

-Water Shoes: Each child must have a separate pair of shoes to wear in the water.

They are required to have
an ankle strap, for safety reasons.

-Towel: Each child will need a beach towel to use for drying off after playing in the water.

-Swim Diaper: Room 2 requires swim diapers for their children who are in the process of being potty trained, or who are still wearing diapers. These are very important to have on hand!

Keeping a special "Splash Day Backpack" on hand will help keep your items together and ready to go each week!

# Donuts with dad

**Why**: To Celebrate Father's Day

When: Friday, June 17th 7 a.m. - 8:30 a.m.

Dads, Uncles, Grandpas, Brothers, Come and get a little treat to start the Father's Day weekend!

# Note from the Principal

Please remember to check your child in before you take them to class, and then pick them up from class before signing them out at the end of the day. It is a safety precaution to make sure you are not signing them out early, before you grab them from class. Thank you for your help with making this a success!

#### **Materials Needed for Bubbles:**

- 1/2 cup Dish soap
- 1 1/2 cups Water
- 2 teaspoons Sugar
- Medium sized mixing bowl or cup
- Spoon

Sealed container (jar with lid)

## **Materials Needed for Bubble Blower:**

- 1 Drinking straw (2 if you cut the pop holder into smaller parts)
- Home Made Bubble and Bubble Blower 1 six pack pop holder plastic thing (the six ring things that go around the pop cans)
- Scotch tape
- Bowl or pan (to pour bubbles into)

Scissors, optional

## **How To Make It:**

### **Instructions for Bubbles:**

1. Mix all 3 ingredients together. Don't stir or shake too much. Store in a sealed container. Lasts forever (we've always used it up without ever having any trouble with it going bad).

### **Instructions for the Bubble Blower:**

- 1. Tape the holder to the straw.
- 2. Pour bubbles into bowl or pan.
- 3. Dip into bubbles and twirl around. Makes LOTS of BIG bubbles.

You can cut the pop can holder ring thing into two 2's (the middle 2 will be wasted) and make two.
