# BEACH CLEAN UP

**APRIL 21ST CARLSBAD STATE BEACH 10:00-12:00  
IN BETWEEN TAMARACK AND CANNON, LOOK FOR OUR SIGN**

Earth Day is an annual event to demonstrate support for environmental protection. First held on April 22, 1970, it now includes a wide range of events coordinated globally by Earthday.org including 1 billion people in more than 193 countries.

The official theme for 2024 is "Planet vs. Plastics."

Discovery Isle Carlsbad is once again hosting a "Beach Clean Up" day to celebrate Earth Day. Last year was so much fun and educational that we want to do it all over again. Please join us for this amazing event where we hope to raise awareness for a cleaner planet. Wear sunscreen and a hat, we will have gloves, bags and refreshments to share.

**Where:** Carlsbad State Beach in between Tamarack & Cannon

**When:** Sunday April 21st
